

MANDENI MUNICIPALITY

INDIGENT SUPPORT POLICY

1. INTRODUCTION

In terms of **Section 74 of the Local Government Municipal Systems Act 2000**, a Municipal Council must adopt and implement a **Tariff Policy**. In terms of **Section 74(i)** of the Act in adopting a Tariff Policy, the Council should at least take into consideration the extent of subsidization of tariffs for poor households. Arising from the above, Council needs to approve an **Indigent Support Policy**. This policy must provide procedures and guidelines for the subsidization of basic services and tariff charges to its indigent households.

The Council accepts that they are responsible for the rendering of services in terms of **Schedules 4 and 5 of the Constitution** as well as other services which may be delegated by **National and Provincial Government**. The Municipality will endeavor to render a basic level of services necessary to ensure an acceptable and reasonable quality of life and which takes into account health and environmental consideration. None of the residents should fall below the minimum level of services.
